

Baron Print Oy

Your partner in executive printing products

Baron Print is a manufacturer of demanding printing products and stickers. The operation of Baron is based on long standing and confidential relationships with our customers.

The operation of Baron Print is based on long standing and confidential relationships with our customers. Our services are fast, effective and consented. Our strength is capability to handle large scale of brand combined product as well as even single products. Due to our flexible manufacture methods in reliable and competitive price of course.

Our specialities are domed labels (Baron Crystal® Label,) vacuum formed products and large format screen printed products.

BRAND REFERENCES

The high quality demands of these well known brands are met in our products.

BEERTAP EMBLEMS

Vacuum formed label

Is a screen printed and vacuum formed label for beer taps. Round and oval are the normal shapes for these also, but special shapes are taking over. So if you are planning a new label, we are the right partner for you.

BEERTAP EMBLEMS

Crystal label

Is the traditional emblem for beertaps. Normal shapes are round and oval, but we produce them in special shapes too.
